Rain yesterday kept down the size of the Varsity football squad. Only about thirty men reported to Coach Schulte for the third day's practice. Full teams were lined up for the first time and the men had their first practice in carrying the ball. No scrimmaging was done.

Haines took Pittam's place at half, working out with White, Rider and Stankowski behind the line. With his long punts and improved drop-kicking, Haines has excellent chances of breaking into the line-up frequently this fall. While he is light for a regular berth on a team already lacking weight and driving power, his right toe will be badly needed at times.

Shy is showing up well as a candidate for a line position. He is an upperclassman, but was ineligible last year. He is rangy, not very heavy, but a great scrapper and seems to handle himself well. He will give some of the regulars a good run for a tackle or guard position.

Light scrimmage probably will start late this afternoon or tomorrow, and

returned to Missourian office. M. 16-16.

then will come the real test of the men and their definite assignment to the different teams. The bulk of the freshmen will also be out today or tomorrow and will be put into shape to give the Varsity some real work when they meet a week from Saturday.

Few Letter Men Back
At Drake This Year.

Drake opened football practice last week with only six letter men around which to build a team. Several other old men are back, however, and a number of sophomores and new men are out to fill the vacant positions. Glaze, a former All-America man, is head coach and will drill the backfield candidates, while Wier, formerly a lineman at West Point, is assistant and will have charge of the association for line positions.

Kansas Has Some
Big Men for the Line.

Kansas has seven men who are in the two-hundred pound class as candidates for the line. Burton, all-valley tackle in 1913, has returned to school after a year as coach at the Lawrence High School. Smith, a candidate for the backfield last season, is another heavy man trying for the line. Frost, a tackle last year, is heavier than ever and Meyn, who weighs 215 pounds, is back in school. Others in this class are Wilbur, Ruble and Palkowski.

But the Jayhawkers are not satisfied with this stone-wall defense and are trying to get Miner, whom Oleott says is the best center for his weight in the entire country.

Lists Posted for Fall
Tennis Tournaments.

The entry list for the fall tennis tournament has been posted at Roth-

well Gymnasium. Fred Williams, tennis captain, is urging everyone in the University who plays tennis to enter. No entrance fee is charged and silver loving cups will be given to the winners in both singles and doubles. The singles entry list will be closed Saturday evening. The doubles will be held open until Tuesday evening.

The courts are being worked on daily and will be in good condition for the tournament. The drawings will be made Saturday night.

Thirty Men at Rolla
Out for Football Practice.

Football practice started at the School of Mines at Rolla last week with about thirty men out in suits. Wagner, a former star at the University of Illinois, is assisting Dennie with the coaching this fall. The Miners play their first on September 30 with the James Milliken school.

In order to interest the merchants of Rolla in the team the athletic association is to allow membership in the association to the merchants admitting them to all intercollegiate games, to the use of the gymnasium equipment and to advertise their connection with the association.

New Tennis Champion
Will Get Rank No. 1.

R. Norris Williams II, the new national tennis champion, probably will

be given No. 1 ranking in the list of players this winter by the national association. It will be his first time to achieve the distinction, in spite of the fact that he was once before the national champion. Two years ago, when Williams defeated McLoughlin for the title the Philadelphia was ranked second because McLoughlin had just finished beating Brookes and Wilding, the two famous Australians, thus bringing the Davis cup back to the United States. With that in view the committee decided McLoughlin should be ranked first.

More than 140 football suits have been checked out at Rothwell Gymnasium. About 60 of these are for freshmen and it is expected that 20 or 30 more first-year men will report for practice today and tomorrow.
